These vehicles shall be classified as Class G vehicles.

(b) *The department shall issue registrations to be known as "semi-dump trailer service registration" upon application therefor and certification by the applicant that the vehicle for which registration is sought is a semi-dump trailer for the transportation of loose material in bulk. Gross weight limitations shall be those specified for the tractor operated in combination with this vehicle. The department may so issue registration plates hereafter issued of this class as to distinguish their character and shall in any event be required to stamp registration cards issued pursuant to such application with the words "semi-dump trailer service" to indicate the specific character thereof. An applicant for semi-dump trailer service registration plates authorized herein shall pay therefor on each vehicle at the rate of \$495.00 per vehicle. Except when operating on divided highways of two or more lanes in each direction and except when not loaded, tractors in combination with vehicles so registered shall at no time be operated at a rate of speed in excess of 35 miles per hour, and the fixing of this maximum limitation shall not be deemed to enlarge or increase any lesser speed limits fixed by any other law, ordinance, rule, or regulation. Tractors in combination with vehicles so registered which are not subject to the 35 miles per hour maximum speed limit shall be governed by speed limits as set forth elsewhere in this article. The combination of a registered Class F tractor and a vehicle having a semi-dump trailer service registration when operated as a unit for the transportation of loose materials in bulk within a radius of not more than 100 miles of the point of pickup and delivery shall not be subject to any restrictions of this article pertaining to weight of vehicle, weight of vehicle and load however determined and/or axle loads, except only that at all times such semi-dump trailer shall be limited as to gross weight by the allowable and paid registration weight, and the combination of tractor, semi-dump trailer and load shall be limited as to gross weight by the overall maximum of 65,000 pounds established by Section 14-109(b), provided further that if the combination is operated at a point beyond the herein authorized 100 mile radius or is hauling materials other than loose materials in bulk, it shall be subject to all applicable restrictions of this article.*

§ 3-810. Registration of school buses (Class H. Pneumatic Tires)

School buses, publicly or privately owned, under contract of the boards of education of the political subdivisions, and/or owned or under contract by accredited schools, shall pay a flat registration fee of \$20.00 when operating for the purpose of transporting pupils between home and school, or to or from any school activity. When operating for these purposes only, they shall carry the usual school
