

(d) *In case the applicant cannot obtain 20/40 vision in each eye, but obtains 20/70 in one eye and not less than 20/140 in the other, a license restricting holder to "daylight driving only" may be issued and shall be so endorsed.*

(e) *If the applicant is totally blind in either eye and vision in seeing eye is 20/40 or better with or without glasses or contact lenses, the license shall bear this restriction: "Any motor vehicle which the applicant drives shall have a properly placed rear view mirror and an outside, side view mirror on each side of the vehicle." With vision in seeing eye of 20/70 or better with or without glasses or contact lenses, license shall bear this additional restriction: "daylight driving only."*

(f) *License cannot be issued to persons with vision in one eye only unless such condition has existed for a period of not less than 90 days prior to date of application.*

(g) *Failure to meet the above requirements precludes the issuance of any driving license.*

§ 6-110.2. *Department to obtain names of persons receiving public assistance for blindness.*

*The department at regular intervals shall request the State Department of Social Services for the name of each person receiving public assistance for blindness, and the Department of Social Services shall furnish these names promptly. The Department upon receipt of such information and as soon as practicable shall arrange for a re-examination of each such person who holds a driver's license, and if the person examined fails to meet the vision requirements of section 6-110.1, the department shall cancel any driver's license held by such person. Information obtained by the department from the Department of Social Services under the provisions of the preceding sentence is not a matter of public record, and use of any list or names obtained through such access to the records for commercial or political purposes is prohibited.*

§ 6-111. *Issuance of license.*

(a) *Upon surrendering the instruction and examination license and undergoing a satisfactory examination as to his/her qualifications, such person shall be entitled to receive the license applied for upon the payment of the fees provided for in Section 6-111.1.*

(b) *A number shall be assigned to each license, and a proper record of all applications for licenses and for all licenses issued shall be kept by the Department, and shall be open to public inspection.*

(c) *Each license shall state the full name, residence address, race, sex, height, weight, and date of birth of the licensee and shall authorize the licensee to operate any motor vehicle of the class(es) specified thereon.*

(d) *Only one current Maryland driver's license shall be issued to and held by a person at any particular time. The Department may require the surrender to it of all out-of state drivers' licenses issued to the applicant prior to issuing a Maryland driver's license.*
