

(b) *The driver of a vehicle may overtake and pass another vehicle upon the right only under conditions permitting this movement in safety. In no event shall this movement be made by driving off the pavement or main-traveled portion of the roadway.*

§ 11-305. *Limitations on overtaking on the left.*

(a) *No vehicle shall be driven to the left side of the center of the roadway in overtaking and passing another vehicle proceeding in the same direction unless authorized by the provisions of this part and unless the left side is clearly visible and is free of on-coming traffic for a sufficient distance ahead to permit the overtaking and passing to be completely made without interfering with the operation of any vehicle approaching from the opposite direction or any vehicle overtaken. In every event the overtaking vehicle must return to an authorized lane of travel as soon as practicable and if the passing movement involves the use of a lane authorized for vehicles approaching from the opposite direction, before coming within 200 feet of any approaching vehicle.*

(b) *No vehicle shall at any time be driven to the left side of the roadway under the following conditions:*

(1) *When approaching the crest of a grade or upon a curve in the highway where the driver's view is obstructed within a distance as to create a hazard if another vehicle might approach from the opposite direction;*

(2) *When approaching within 100 feet of or traversing any intersection or railroad grade crossing;*

(3) *When the view is obstructed upon approaching within 100 feet of any bridge, viaduct, or tunnel.*

(c) *The limitations of subsection (b) shall not apply upon a one-way roadway.*

§ 11-306. *Omitted.*

§ 11-307. *No-passing zones.*

(a) *The State Roads Commission may determine those portions of any highway under its jurisdiction where overtaking and passing or driving to the left of the roadway would be especially hazardous and by appropriate signs or markings on the roadway may indicate the beginning and end of these zones, and when the signs or markings are in place and clearly visible to an ordinarily observant person every driver of a vehicle shall obey the directions thereof.*

(b) *Where signs or markings are in place to define a no-passing zone as set forth in subsection (a) no driver at any time shall drive on the left side of the roadway within the no-passing zone or on the left side of any pavement striping designed to mark the no-passing zone throughout its length, except as set forth in subsection (c).*

(c) *The driver of a vehicle may drive across the left side of the roadway in a no-passing zone as described in subsection (a) while making a left turn, but only if it is safe to do so.*
