

highway authorities or bridge or highway districts in highway maintenance, inspection, survey, or construction work. Any other vehicle or combination of vehicles, when operated at a speed of 25 miles per hour or less, may display such emblem. The emblem shall be mounted on the rear of the vehicle, base down and at a height of not less than three nor more than five feet from ground to base. Such emblem shall consist of a truncated equi-lateral triangle having a minimum height of 14 inches with a red reflective border not less than $1\frac{3}{4}$ inches in width and a fluorescent orange center.

This emblem shall not be displayed except as permitted or required by this section.

The emblem required by this subsection shall comply with current standards and specifications of the American Society of Agricultural Engineers.

After July 1, 1971, no new implement of husbandry designed or intended by the manufacturer to be operated or moved at a speed not in excess of 25 miles per hour shall be sold in this state unless it is equipped by the manufacturer with a slow-moving vehicle emblem as prescribed by this Section and such an emblem shall thereafter be displayed and maintained on such implement of husbandry while the implement is able to be operated upon a public highway.

§ 11-805. Omitted.

§ 11-806. Special speed limitations.

(a) No person shall drive a vehicle which is towing a house trailer at a speed greater than a maximum of 45 miles per hour.

(b) No person shall drive a school bus at a rate of speed greater than 45 miles per hour while it is carrying any passengers to or from school.

(c) The State Roads Commission upon request from any local authority shall, or upon its own initiative may, conduct an investigation of any bridge or other elevated structure constituting a part of a highway, and if it shall thereupon find that such structure cannot with safety to itself withstand vehicles traveling at the speed otherwise permissible under this subtitle, the commission shall determine and declare the maximum speed of vehicles which such structure can safely withstand, and shall cause or permit suitable signs stating such maximum speed to be erected and maintained before each end of such structure.

(d) Upon the trial of any person charged with a violation of this section, proof of such determination of the maximum speed by said commission and the existence of said signs shall constitute conclusive evidence of the maximum speed which can be maintained with safety to such bridge or structure.

§ 11-807. Charging violations and rule in civil actions.

(a) In every charge of violation of any speed regulation in this article the written complaint, or the summons or the written notice to appear, shall specify the speed at which the defendant is alleged to have driven, also the maximum speed applicable within the district or at the location.
