

herein, and to issue and enforce regulations establishing standards and specifications for the approval thereof. The commissioner shall publish lists of all protective headgear and eye-protective devices by name and type which have been approved by him.

*Part XIV—Operation of Motor Vehicles on  
Certain Toll Bridges and Tunnels*

§ 11-1401. *Definition of Words and Phrases.*

*Definitions stated—The following words and phrases when used in this part shall, for the purpose of this part, have the meaning respectively ascribed to them in this section, except as hereinafter specifically provided.*

(1) *Approaches: means those roadways, overhead structures, ramps, bridges, causeways, entrances and exits provided as a means of access to and departure from vehicular crossings operated and maintained for the State Roads Commission of Maryland by the Toll Facilities Department.*

(2) *Bicycle: means any of the conventional vehicles of the two-wheeled or three-wheeled type propelled by the rider.*

(3) *Bridge: includes any bridge within the jurisdiction of the Toll Facilities Department.*

(4) *Bus: means any motor vehicle designed for the transportation of persons, for hire, having a seating capacity of more than 9 persons.*

(5) *Driver: means the person who is in actual physical control of a vehicle.*

(6) *Light commercial vehicle: includes pick-ups and panel trucks up to and including those of a  $\frac{3}{4}$ -ton capacity and Department of Motor Vehicles registration restricting vehicles to 10,000 pounds gross vehicle weight.*

(7) *Motorcycle: includes all vehicles of the bicycle or tricycle type propelled by a motor.*

(8) *Parking: means the stopping of a vehicle on a roadway, unless caused by traffic congestion or in obedience to traffic regulations, signal, or direction of an authorized employee of a facility, regardless of whether the driver remains in the vehicle.*

(9) *Passenger vehicle: means a motor vehicle registered as a passenger vehicle, not for hire, for use in the transportation of persons. This includes station wagons, ambulances, and hearses.*

(10) *Semi-trailer: means a vehicle, not self-propelled, designed and constructed to be towed and to move with the forward end of its body or chassis resting upon the body or chassis of the towing vehicle.*

(11) *Superintendent: means the authorized and designated official of the Toll Facilities Department of the State Roads Commission of Maryland in charge of the vehicular crossing, or the authorized employee performing his duties in his absence.*

(12) *Taxicab: means a motor vehicle used in the transportation of persons, for hire, having a seating capacity of 7 or fewer persons.*
