

(13) *Tractor*: means a vehicle designed for drawing or towing other vehicles and having no space for the carrying of a load or cargo.

(14) *Traffic*: in addition to its generally accepted meaning, includes pedestrians, animals ridden or herded, and vehicles propelled by human power.

(15) *Trailer*: means a vehicle (other than semi-trailer), not self-propelled, designed and constructed to be towed.

(16) *Truck*: means a motor vehicle designated, used, or registered for the transportation of goods, wares, merchandise, or bulk cargo.

(17) *Tunnel*: means the Baltimore Harbor Tunnel, sometimes known as the Patapsco Tunnel.

(18) *Vehicular crossing*: includes not only the tunnels and bridges operated and maintained by the Toll Facilities Department of the State Roads Commission of Maryland, but also the approaches thereto as above defined.

(19) *Unusual vehicle*: includes those which because of weight, height, length, or width require special permits to travel on the highway.

§ 11-1402. *Traffic must comply with signs and orders.*

*Traffic using the vehicular crossings at all times shall comply with any lawful sign, order, signal, or direction by voice, sign, or hand of authorized employees of the vehicular crossing.*

§ 11-1403. *Pedestrians and bicycles prohibited.*

*Pedestrians and bicycles are prohibited from using the vehicular crossings.*

§ 11-1404. *Hitchhiking and pick-up or discharge of passengers prohibited.*

*Hitchhiking is prohibited on any of the vehicular crossings, and it shall also be unlawful for motorists to pick-up or discharge any person on any of the vehicular crossings.*

§ 11-1405. *Stopping, standing, or parking prohibited.*

*Vehicles shall not stop, stand, or park on any vehicular crossing except:*

(1) *When necessary to avoid injury or damage to persons and property;*

(2) *In compliance with the lawful direction of authorized employees of the vehicular crossing;*

(3) *At designated areas for the transaction of business at the administration buildings; or*

(4) *If disabled, in which case the vehicle shall be withdrawn, if possible, to the shoulder of the roadway, or adjacent to the emergency walkway on a bridge, or moved as directed by a patrol officer.*
