

*this section shall be applicable only to those trailers, semitrailers and pole trailers which are registered in this State and sold as new vehicles on and after July 1, 1971.*

§ 12-207. *Omitted.*

§ 12-208. *Clearance, identification, and marker lamps and reflectors.*

*(a) In addition to other equipment required by this subtitle, including sections 12-203, 12-204, 12-205 and 12-206, the vehicles mentioned below, when operated upon any highway, shall be equipped as herein stated. All lamp equipment required shall be lighted at the times mentioned in section 12-201. The reflectors elsewhere enumerated for such vehicles shall conform to the requirements of section 12-211(a).*

*(1) Buses and trucks 80 inches or more in overall width shall have:*

*(i) On the front, two clearance lamps, one at each side, and on such vehicles manufactured or assembled after June 1, 1971, three identification lamps meeting the specifications of subsection (b);*

*(ii) On the rear, two clearance lamps, one at each side, and after June 1, 1970, three identification lamps meeting the specifications of subsection (b);*

*(iii) On each side, two side marker lamps, one at or near the front and one at or near the rear; and*

*(iv) On each side, two reflectors, one at or near the front and one at or near the rear.*

*(2) Trailers and semitrailers 80 inches or more in over-all width shall have:*

*(i) On the front, two clearance lamps, one at each side;*

*(ii) On the rear, two clearance lamps, one at each side, and after June 1, 1971, three identification lamps meeting the specifications of subsection (b);*

*(iii) On each side, two side marker lamps, one at or near the front and one at or near the rear; and*

*(iv) On each side, two reflectors, one at or near the front and one at or near the rear.*

*(3) Truck tractors shall have on the front, two cab clearance lamps, one at each side, and after June 1, 1971, all such vehicles shall have in addition three identification lamps meeting the specifications of subsection (b).*

*(4) Motor vehicles, trailers, semitrailers, and pole trailers 30 feet or more in overall length shall have on each side, one amber side marker lamp and one amber reflector, centrally located with respect to the length of the vehicle.*

*(5) Pole trailers shall have:*

*(i) On each side, one amber side marker lamp at or near the front of the load;*
