

(2) *Vehicles of city, county, state or federal fire departments or duly constituted volunteer fire departments or rescue squads may be equipped with or display red and/or white lights or signal devices.*

(3) *Ambulances may be equipped with or display red and/or white lights or signal devices.*

(4) *Authorized service vehicles, rural letter carrier, slow moving farm vehicles and tow trucks may be equipped or display yellow or amber lights or signal devices.*

(5) *Said blue, red, or white lights or signal devices may only be flashed or oscillated or otherwise used while enroute to, at the scene of, or returning from an emergency and shall not relieve the authorized emergency vehicle from otherwise giving an audible warning as required elsewhere in this Article.*

(6) *Such yellow or amber lights or signal devices permitted on vehicles set out in subsection (c) (4) above shall only be flashed or oscillated or otherwise used in the course of its official duties, to indicate to the public that it is a slow moving vehicle or is otherwise impeding traffic.*

(7) *In addition to the penalties provided in Section 17-101 (b) any person convicted of a violation of Section 12-218 shall have his driving privileges suspended for a period of thirty (30) days, and the registration of such vehicle shall be suspended for a period of thirty (30) days, notwithstanding that the owner of such vehicle may not be the operator at the time of the offense, unless said owner proves to the satisfaction of the Department that he had no control over the use or display of a light or signal device and could not prevent the violation of this Section.*

(d) *A police vehicle when used as an authorized emergency vehicle may but need not be equipped with the flashing red lights specified herein.*

(e) *The flashing lighting described in subsections (b) and (c) of this section shall not be used on any vehicle other than an authorized emergency vehicle, service vehicle or school bus.*

(f) *The use of the signal equipment described herein shall impose upon drivers of other vehicles the obligation to yield right of way and stop as prescribed in sections 11-405 and 11-707 of this article.*

§ 12-218.1. *Rural letter carrier's warning device.*

(a) *Any rural letter carrier's motor vehicle may be equipped with a warning device which may be used for the purpose of warning the operators of other vehicles of the presence of a vehicular traffic hazard requiring the exercise of unusual care in approaching, overtaking, and passing, and when so equipped may display the device in addition to any other warning signal required or permitted by law.*

(b) *The warning device shall include two bi-directional lights mounted at each side of the vehicle upon the roof, with two amber lenses facing the rear and two amber lenses facing the front. Each light shall be not less than four inches in diameter and shall be*
