

§ 15-105. *State Roads Commission to place traffic-control devices on highways under its jurisdiction.*

(a) *The State Roads Commission shall place and maintain, upon all highways under its jurisdiction, traffic-control devices, conforming to its manual and specifications, it deems necessary to indicate and to carry out the provisions of this article or to regulate, warn, or guide traffic.*

(b) *No local authority shall place or maintain any traffic-control device upon any highway under the jurisdiction of the State Roads Commission except by the latter's permission and in accordance with the direction of the commission.*

§ 15-106. *Local traffic-control devices.*

(a) *Local authorities in their respective jurisdictions shall place and maintain traffic-control devices upon highways under their jurisdiction as they deem necessary to indicate and to carry out the provisions of this article or local traffic ordinances or to regulate, warn, or guide traffic. All traffic-control devices hereafter erected shall conform to the State manual and specifications.*

~~(b) Local authorities in exercising those functions referred to in subsection (a) shall be subject to the direction and control of the State Roads Commission.~~

§ 15-107. *Authority to require pedestrian obedience to traffic-control signals.*

*Local authorities may require that pedestrians shall strictly comply with the directions of any official traffic-control signal and may prohibit pedestrians from crossing any roadway in a business district or any designated highways except in a cross walk.*

§ 15-108. *Authority to designate through highways and "stop" and "yield" intersections.*

*The State Roads Commission with reference to State and county highways and local authorities with reference to other highways under their jurisdiction may designate through highways and erect stop signs or yield signs at specified entrances thereto, or may designate any intersection as a stop intersection or as a yield intersection and erect stop signs or yield signs at one or more entrances to such intersection.*

§ 15-109. *Regulations relative to school buses.*

(a) *The Department of Motor Vehicles by and with the advice of the State Board of Education ~~commissioner~~ shall adopt and enforce regulations not ~~consistent~~ INCONSISTENT with this article to govern the ~~design and operation~~ SAFE OPERATION AND DESIGN of all school buses owned and operated by any school district or privately owned and operated under contract with any school district in this State, and the regulations shall by reference be made a part of the contract with a school district. Every school district, its officers and employees, and every person employed under contract by a school district shall be subject to the regulations.*
