Any changes which the applicant desires to make shall be entered upon the transcript by the officer transcribing same with a statement of the reason given by the applicant for making them. The transcript shall then be signed by the applicant; and the officer transcribing same shall certify on the transcript that the applicant was duly sworn by him and that the transcript is a true record of the testimony given by the applicant.

(3) There shall be a public disclosure by the County [council] *Executive* of the complete transcribed testimony of the actual appointee or appointees three weeks from the date of his or her appointment; and the complete transcript of all other applicants shall be destroyed by the County [council] *Executive* immediately without disclosure of any information contained therein to anyone.

(4) Annually, on or before June 1, of each year, the appointee shall disclose, in writing, to the County [Council] *Executive*, all information available to update and make current his business and financial interests and property holdings in the State of Maryland and the Greater Washington Metropolitan Area, as well as information available to him concerning the business and financial interests and property holdings of the appointee's spouse, father, mother, brother, sister or child, and there shall be complete public disclosure by the County [Council] *Executive* of the information so received. The County [Council] *Executive* may require substantiation and additional information wherever [the Council] *he* shall determine it necessary.

1 (16) (70-21(b)) (59-17 (b)). Budgetary Procedures.

(b) Six-year Programs.

Prior to October 1st of each calendar year, the commission shall prepare and submit to [each] *the county governing body of Prince George's County and the County Executive and County Council of Montgomery County* a six-year capital improvements program. The capital improvements program shall include a statement of the objectives of the capital programs and relationship of these programs to the county's adopted long range development plans; shall recommend capital projects and a construction schedule; and shall provide an estimate of cost, a statement of all funding sources. The capital improvements program shall include all programmed parkland acquisition, all major parkland improvement, development and major acquisition of equipment. *In Montgomery County, the County Executive shall submit his recommendations with respect to the commissioner's proposed program (including any suggested amendments, revisions or modifications) to the County Council as an integral part of the comprehensive six-year capital improvements program required by the Charter for Montgomery County.*

Each county governing body shall, on or before adoption of its annual budget and appropriations resolution, adopt the six-year capital improvements program. Such adoption shall occur only after public hearings thereon which may be conducted in conjunction with public hearings on their own and other agencies' six-year programs or capital budgets. In its adoption, the county governing body may make such amendments, revisions or modifications as it may deter-
