

OF EMULSIFIER, NOT LESS THAN FOUR PER CENTUM NOR MORE THAN SEVEN PER CENTUM BY WEIGHT OF MILK FAT, AND NOT LESS THAN ELEVEN PER CENTUM BY WEIGHT OF TOTAL MILK SOLIDS. IN NO CASE SHALL ANY ARTIFICIALLY SWEETENED ICE MILK WEIGH LESS THAN FOUR AND ONE-HALF POUNDS PER GALLON AND CONTAIN LESS THAN ONE AND THREE-TENTHS (1.3) POUNDS OF TOTAL FOOD SOLIDS PER GALLON.

(iii) Subject to the standards provided by law or prescribed by rules or regulations by the State Department of Health pursuant thereto, any person may manufacture or prepare artificially sweetened ice milk, containing an artificial sweetening agent approved by the State Department of Health. The manufacturer shall place the artificially sweetened ice milk only in pint packages or containers which shall be conspicuously labeled. "Artificially Sweetened" immediately preceding the words "Ice Milk," in similar type at least one half the size of the type used for the words "Ice Milk" and on the same contrasting background, and in addition shall label thereon "Intended for Diabetics Under Medical Advice" and any other warning statement which the State Department of Health may prescribe. The label shall also contain a statement in terms of percentage by weight of protein, fat and carbohydrates, the total number of calories per ounce, the number of calories contributed by carbohydrates and any carbohydrates other than lactose, and the name of each ingredient entering into the composition other than flavors. The artificially sweetened ice milk shall not be sold in any quantity or in any manner other than a sealed or unbroken pint package or container.

(iii) "*Lo-Mel*" means a pure, clean, wholesome semiviscous drink prepared by stirring while freezing in a dispensing freezer a mixture of food fat, milk solids not fat, water, optional sweetening ingredients as approved by the State Department of Health, with or without egg or egg products, with harmless flavoring, with or without harmless coloring and with or without stabilizer or emulsifier as approved by the State Department of Health. It shall contain not less than ten percent milk, nor more than six percent food fat. It shall contain not less than ten percent milk solids, not fat, it shall contain not more than one-half per centum by weight of stabilizer and not more than one fifth of one percent of emulsifier. *Lo-Mel* may only be served or sold from a dispensing freezer and may not be sold hard frozen. When *Lo-Mel* is sold from a dispensing freezer a sign must be displayed which shall read "*Lo-Mel* served here," in letters at least three inches in height and shall include a list of all ingredients in a manner prescribed by the State Department of Health, provided, however, that the type of food fat used must be specified in letters that can be read by consumers under normal conditions of purchase. No such list of ingredients need be included on the sign if the list of ingredients is printed on the side of the container, in which the product is served to the customer.

(d) "*Sherbet*" is a pure, clean, frozen product made from "milk products," sugar, dextrose, corn syrup in dry or liquid form, water, with or without egg or egg products and harmless fruit or fruit juice flavoring and with or without harmless coloring with not less than 0.35 of one per centum of fruit acid, as determined by titrating with standard alkali and expressed as lactic acid, and with or without added
