

125. *License upon special examination.*

*Applicants of conceded eminence and authority in the profession from other jurisdictions may be licensed by the Board upon special examination provided such applicants have the qualifications required for examination in this State and have practiced medicine for ten years.*

126. *Temporary Permit to practice medicine.*

*A temporary permit to practice medicine, without examination, may be issued by the Board to a qualified physician for the purpose of post-graduate teaching. Such permits may be issued for the period of one year only.*

127. *Examination of medical students.*

*Medical students of those medical schools accredited by the Association of American Medical Colleges or the Council on Medical Education of the American Medical Association may apply for examination upon the following:*

*(1) Verified completion of the second year of study in such subjects as the Board deems proper; or*

*(2) Verified completion of a complete course of medical study.*

128. *Registration.*

*(a) Physicians licensed to practice medicine and surgery in the State of Maryland shall register with the Board. The registration shall be a permanent record of the Board entitled "Registry of Physicians."*

*(b) The Registry shall be a public record and be evidence to the same extent as are Land Records as provided in Article 35, Section 40 of this Code.*

*(c) The Board shall provide for re-registration not less than every second year.*

129. *Advertising.*

*No physician shall advertise except as provided by regulations of the Board.*

130. *Discipline of physicians.*

*(a) Commission on Medical Discipline established as part of the Department of Health and Mental Hygiene; membership.—The Commission on Medical Discipline of Maryland is hereby established as part of the Department of Health and Mental Hygiene. It shall be hereafter referred to in this section as the Commission and shall consist of the following persons:*

*The president of the Medical and Chirurgical Faculty of the State of Maryland.*

*Two practicing physicians appointed by the Secretary of Health and Mental Hygiene, selected from a list submitted by the Medical and Chirurgical Faculty of the State of Maryland, such list having*
