

Resolved, That copies of this Resolution be sent to each United States Senator and Congressman from Maryland.

Approved April 15, 1970.

No. 8

(House Joint Resolution 49)

House Joint Resolution requesting THE PRESIDENT OF THE UNITED STATES AND the United States Congress to consider legislation that will increase the ceilings imposed on the rates of interest that banks and savings and loan institutions may pay to their depositors.

WHEREAS, there is a shortage of funds available for loans, and banks and savings and loan institutions are charging high rates of interest to borrowers; and

WHEREAS, public and private saving would be encouraged if banks and savings and loan institutions paid higher rates of interest to their depositors; and

WHEREAS, increased saving is well known to have an anti-inflationary effect by decreasing the demand for goods and services and increasing the supply of lendable funds which tends to lower prices and interest rates; now, therefore, be it

Resolved by the General Assembly of Maryland, That THE PRESIDENT OF THE UNITED STATES AND the United States Congress be requested to consider legislation which will permit banks and savings and loan institutions to increase the rates of interest they pay to depositors; and be it further
