No. 12

(House Joint Resolution 59)

House Joint Resolution requesting the County Executive of Baltimore County and the Baltimore County Revenue Authority to consider the feasibility of providing a commuter rate for regular users of the Dundalk Avenue Bridge and the Memorial Bridge into Sparrows Point.

WHEREAS, The Dundalk Avenue Bridge and the Memorial Bridge which provide access to Sparrows Point are heavily used by people employed at Sparrows Point; and

WHEREAS, Both of these bridges are at the present time toll bridges, necessitating daily expense on the part of persons employed at Sparrows Point; and

WHEREAS, Although the present fee for passenger vehicles is not great, nevertheless it imposes an additional burden on people employed at Sparrows Point, especially in these times when inflation cuts into the individual's purchasing power so heavily; and

WHEREAS, Most, if not all, toll facilities in the State provide a monthly commuter rate to ease the financial burden on regular users of such facilities, for example, the Baltimore Harbor Tunnel and the William Preston Lane Bridge; now, therefore, be it

*Resolved by the General Assembly*, That the County Executive of Baltimore County and the members of the Baltimore County Revenue Authority are requested to consider the feasibility of establishing a monthly commuter rate for the Dundalk Avenue Bridge and the Memorial Bridge which provide access to Sparrows Point; and be it further

*Resolved*, That copies of this Resolution be sent to Dale Anderson, County Executive of Baltimore County and to the members of the Baltimore County Revenue Authority.

Approved April 15, 1970.

No. 13

(House Joint Resolution 68)

House Joint Resolution requesting the Congress of the United States to consider the possibility of converting and operating Fort Detrick, Maryland, as a center for the study of environmental pollution.

WHEREAS, environmental pollution is of great concern to the people of Maryland and the people of the United States; and

WHEREAS, Fort Detrick is to be vacated as a center for the study of biological warfare; and

WHEREAS, Fort Detrick has facilities and trained personnel for efficient study of the matter of environmental pollution; now, therefore, be it

*Resolved by the General Assembly of Maryland*, That the Congress of the United States be requested to consider the possibility of converting and operating Fort Detrick as a center for the study of environmental pollution; and, be it further
