No. 60

(House Joint Resolution 117)

House Joint Resolution requesting the Joint Budget and Audit Committee to study planning relations among the various departments of the State Government and between the State Government and the various regional planning organizations.

WHEREAS, the Baltimore Regional Planning Council has requested a review of its existing legislation; and

WHEREAS, several organizations in the State are in the process of becoming regional planning organizations; and

WHEREAS, the State Government of Maryland is currently re-organizing into major functional departments, each with individual planning functions which must be coordinated and integrated but no State agency is involved in identifying and evaluating in cost-benefit terms, comprehensive development strategies open to the State; and

WHEREAS, tangible outputs and accomplishments of the various planning organizations are often difficult to identify; and

WHEREAS, the future progress of our State as an integral part of the great Eastern Seaboard Megalopolis depends upon successful planning; now, therefore, be it

*Resolved by the General Assembly of Maryland*, That the Joint Budget and Audit Committee be requested to study planning relations among the various departments of the State Government and between the State Government and the various regional planning organizations; and be it further

*Resolved*, That this study should result in concrete proposals to adopt the planning relationships to an increasingly complex environment; and be it further
