

60. (Sidewalks : Powers.) (a) The Town shall have the power :
- (b) To establish, regulate, and change from time to time the grade lines, width and construction materials of any sidewalk or part thereof along any public way or part thereof.
- (c) To grade, lay out, construct, reconstruct, pave, repave, repair, extend, or otherwise alter sidewalks along any public way or part thereof.
- (d) To require that the owners of any property abutting on a sidewalk keep the sidewalk clear of all ice, snow, and other obstructions.
- (e) To require and order the owner of any property abutting on any public way in the Town to perform any projects authorized by this section at the owner's expense according to reasonable plans and specifications. If, after due notice the owner fails to comply with the order within a reasonable time, the Town may do the work, and the expense shall be a lien on the property and shall be collectible in the same manner as are Town Taxes or by suit at law.

WATER AND SEWERS

61. (Powers.) The Town shall have the power to acquire, establish, design, construct, reconstruct, expend, extend, alter, improve, operate, maintain and repair a water supply and distribution system, a sanitary sewer system, a storm water drainage system, and a sanitary disposal plant, system or stabilization lagoon, within or without the corporate limits of the Town, and to take any and all action necessary or appropriate thereto, including the making of surveys, plans, specifications and estimates. The Town may by ordinance regulate the use and operation of any such plant or system or part thereof in any manner it deems to be in the public interest.

62. (Placing Structures in Public Ways.) Any public service corporation, company, or individual, before beginning any construction of or placing of or changing the location of any main, conduit, pipe, or other structure in the public ways of the town, shall submit plans to the Town and obtain written approval upon such conditions and subject to such reasonable limitations as may be imposed by the Town. Any public service corporation, company, or individual violating the provisions of this section shall be guilty of a misdemeanor. If any unauthorized main, conduit, pipe or other structure interferes with the operation of the water, sewerage, or storm water systems, the Town may order it removed.

63. (Obstructions.) All individuals, firms, or corporations having mains, pipes, conduits, or other structures, in, on, or over any public way in the Town or in the County which impede the establishment, construction, or operation of any Town sewer or water main shall, upon reasonable notice, remove or adjust the obstructions at their own expense to the satisfaction of the Town. If necessary to carry out the provisions of this section, the Town may use its condemnation powers provided in Section 77. Any violation of an ordinance passed under the provisions of this section may be made a misdemeanor.

64. (Entering on County Public Ways.) The Town may enter upon or do construction, in, on, or over any public way for the purpose of installing or repairing any equipment or doing any other things necessary to establish, operate, and maintain the water system, water plant, sanitary sewerage system, sewage treatment plant, or storm water sewers provided for in this Charter.
