

The new boundaries in the resolution were prepared by J. B. Ferguson Co., Inc. from the deeds of the owners within the annexed area and are included in the resolution for annexation. Thereafter the same surveyors made a field survey of the annexed area planting stones and iron pins at appropriate places. The field survey covers the same area as described in the resolution.

The old boundaries were taken from Section 738 of the Code of Public Local Laws of Carroll County (Everstine 1965). It also appears as Section 523 of Article 7 of the Code of Public Local Laws of Maryland (1930) Flack's Edition.

To all the foregoing, I hereby certify as the chief executive officer of The Mayor and Common Council of Westminster.

If any additional material or information is required, please advise me, and it shall be furnished promptly.

Very truly yours,
Joseph H. Hahn, Jr., Mayor
