

(2) The applicant shall be required to demonstrate his ability to comprehend and interpret plans and drawings showing the arrangement of gas fixtures, etc.

(3) He shall be expected to be familiar with the provisions of this Subtitle, applicable provisions of Anne Arundel County Building Code, the rules and regulations of the Anne Arundel County Health Department and the Maryland State Department of Health applicable to gas fitting work.

(c) The Commission shall require written answers to appropriate questions on the foregoing subjects and may, in its discretion require an actual demonstration of the applicant's ability to properly perform gas fitting work by requiring him to actually perform such work as it may prescribe.

The Commission may, in its discretion, waive the requirement of a written examination for a Journeyman or Restricted Journeyman Gas Fitter's License only and may in lieu thereof submit the applicant to an oral examination together with an actual demonstration of his ability to properly perform gas fitting work.

(d) In order to qualify for a license, the applicant shall, if examined in writing, correctly answer at least 70% of the questions propounded. If an applicant for Journeyman or Restricted Journeyman Gas Fitter's License shall fail to answer 70% of the questions correctly the Commission may, nevertheless, in its discretion, examine the applicant orally and require an actual demonstration on his ability to properly perform gas fitting work, and if the Commission is thereafter satisfied as to the applicant's qualifications, it may grant the License applied for.

Section 12-1915

In addition to the payment of any license fee, each Master or Restricted Gas Fitter, unless already bonded by a Master Plumber's Bond, Master Electrician's Bond, or Restricted Electrician's Bond, shall file with the Director a penal bond to the county in the sum of one thousand (\$1,000.00) dollars, conditioned upon the faithful performance of any and all work entered upon or contracted by the licensee and to save harmless the owner or any party in interest in any property for which any material is furnished or service performed, against any loss, damage or injury which shall arise through want of skill or through the failure of the said licensee, his agents and employees to use suitable or proper materials in the performance of any work contracted for, done or undertaken by said licensee, his agents and employees, and shall indemnify and save harmless Anne Arundel County, Maryland, its successors or assigns from any and all damages, injuries, losses, expenses and costs to which it may be subjected by reason of any wrongdoing, misconduct, lack of care or skill, improper materials, negligence or default upon the part of the said licensee, his agent and employees in carrying on a gas fitting business.

Section 12-1916
