

(c) Each license and renewal of same shall be in force and effect only as long as the approved bond and insurance certificates that have been filed with the board, in accordance with the provisions of this Article, shall remain in full force and effect. Every such license or renewal of same shall become void and of no effect should any such bond, insurance contract become inoperative, ineffective or cancelled, regardless of the regular date of expiration of said license.

Sec. 83-26. *Term of License, Renewals.*

(a) Licenses issued under this Article shall be valid for one year and become effective upon date of issue, except as otherwise provided by this Article. Renewal of all licenses issued after January 1 of a calendar year shall require one-half the prescribed yearly fee. All licenses shall expire on June 30 of each year and renewals thereafter shall be effective July 1 through June 30 of each year. Applicants for renewal of licenses shall pay to Montgomery County, Maryland a fee of \$25.00 for an electrical contractor's license and a fee of \$15.00 for an electrical contractor's limited license, or as otherwise provided for by county regulations. Failure to renew without good cause any license within thirty (30) days after the expiration date of June 30, or any date that an existing license may expire, shall require the applicant to apply for reexamination, in which event, all requirements governing a new application shall be complied with by the applicant.

(b) No person, firm, company, corporation, partnership, owner, lessee or agent shall be denied the privilege of continuing a contracting business or maintenance or repair work in the event of death, illness or other physical disability of the registered representative thereof who qualified the person, firm, company, corporation, partnership, owner, lessee or agent for such license, for a period not exceeding one hundred twenty (120) days following the date of such death, illness or physical disability, provided said business, maintenance or repair work is conducted under such qualified supervision as the board deems adequate and provided that all requirements concerning bonds and insurance are first complied with.

(c) A person, firm, company, corporation, partnership, owner, lessee, or agent shall be allowed to continue a business or to perform maintenance and repair work for a period not exceeding ninety (90) days should the registered licensee who qualified the person, firm, company, corporation, partnership, owner, lessee, or agent for such license terminate his services therefrom, provided such business, maintenance or repair work is conducted under such qualified supervision as the board deems adequate and provided that all of the following requirements are met:

1. All bonding and insurance requirements are complied with;
2. The licensee shall notify the board in writing within five (5) days after terminating services as representative of said person, firm, company, corporation, partnership, owner, lessee, or agent; or
3. The person, firm, company, corporation, partnership, owner, lessee, or agent shall notify the board in writing within five (5) days after the licensed representative terminated his services.

No license issued under this Article shall be assigned or transferred from one licensee to another. The board shall allow the license of a licensee in good standing to transfer with the licensee if he terminates his services with one employer and transfers to another employer or becomes self employed.
