

equipment and other facilities or property including land and buildings which such governing bodies may desire to transfer into the county public library system. The county librarian is directed, at the request of such governing body, to include among such terms and conditions the following:

(1) Warranties to any such governing body that library facilities at least equivalent in value to the facilities and property transferred into the county system by any governing body will be made available by the county in the form of library facilities and services to the particular area represented by such governing body, and

(2) Provisions that any such governing body holding in trust cash, securities or any other evidences of indebtedness or unimproved real property acquired from proceeds of taxes levied for a library special taxing area may retain such cash, evidences of indebtedness and property for use in making available, at such time as there has been placed in operation a library building adequate to serve the council district in which located, such additional library facilities as such governing body in its discretion determines to be suitable and as may be approved by the county librarian.

(b) After the terms and conditions of transfer of any such facilities and property have been agreed upon, the county executive is hereby authorized to accept, on behalf of the county, the transfer of such facilities and property to the county effective on the first day of July next following. The conveyance of title to the county of any property pursuant to the provisions of this article shall be evidenced by a written contract or agreement approved by the county attorney.

*Section 15.* Section 2-64, Chapter 2, title "Administration" of the Montgomery County Code 1965, as amended, is hereby repealed and re-enacted, with amendments, to read as follows:

2-64. Generally.

There is hereby established a department of police and the chief administrative officer shall serve as the director. The department shall include the county police and shall have the authority, functions, and activities which are prescribed by law.

*Section 16.* Section 2-71, Chapter 2, title "Administration" of the Montgomery County Code 1965, as amended, is hereby repealed and re-enacted, with amendments, to read as follows:

2-71. Department of recreation established; director generally.

There is hereby established, under the general supervision of the chief administrative officer, and as a department of the county government, a department of recreation under the immediate direction of a director of recreation. The director shall administer the recreational program of the county herein authorized. In administering such program the director shall have the authority, upon the consent of the particular agency or organization concerned, to make use of the recreational facilities of the board of education and other agencies or organizations, both public and private, and shall endeavor to coordinate the county's recreational program with the recreational programs of any such organizations whenever such coordination will promote the best interests of the county and its citizens.

*Section 17.* Section 2-79, Chapter 2, title "Administration" of the Montgomery County Code 1965, as amended, is hereby repealed and re-enacted, with amendments, to read as follows:
