

(1) Utility companies regulated by the Public Service Commission of Maryland, when engaged in the installation or repair of company owned and maintained equipment on customer premises, as well as on their own premises in Howard County.

(2) Contractors engaged by a utility to perform work on its own premises or on company owned and maintained equipment on customers' premises in Howard County.

(3) Radio, and television transmitting stations, licensed and commissioned by the Federal Communications Commission's Regulations.

(4) Employees of the United States Government when engaged in the performance of their official duties only.

(5) Employees of the State of Maryland when engaged in the performance of their official duties only.

(6) Contractors or servicemen engaged by the United States Government or by the State of Maryland to perform work or render service on Government or State owned premises and equipment in Howard County.

(7) One (1) family homeowner, where changes to existing wiring may be made, provided the person making such changes is the homeowner-occupant. He shall, before making such changes, obtain permission in writing from the Board of Electrical Examiners, and he then must file an application for inspection of such work with the Inspection Agent of the Bureau of Inspections, Licenses and Permits.

(8) One (1) family homeowner, engaged in the repair or replacement of portable appliances, lighting fixtures, fuses, lamps, sockets, or the making of other minor repairs at existing outlets in his own residence.

(9) Unless otherwise required by this Act, no person, firm, or corporation engaged in the manufacture, or assembly of electrical equipment manufactured by such persons, firm or corporation, or manufactured for such person, firm or corporation by a parent or subsidiary, shall be required to hold or to employ the holder of any of the licenses provided for by this Act solely by reason of such manufacture, or assembly.

3.304—Classes of Licenses

(a) Master Electrician—General

(1) This license shall be issued to any person or the representative of any person, firm or corporation determined to be eligible under this Act. Any firm or corporation shall be entitled to receive this license if, and so long as at least one of its employees is the holder of a Master Electrician—General License.

(2) Such license shall authorize the holder to perform or have performed under his supervision, any of the work described in Section 3.303 hereof.

(3) If such license is held by a firm, or corporation, any of the work described in Section 3.303 hereof, may be performed for itself or for others.

(b) Master Electrician—Restricted

(1) This license shall be issued to any person, firm, or corporation determined to be eligible under this Act, and shall authorize the holder to install, maintain or repair the particular type or types of electrical equipment specified in the license.
