

SEC. 6. *And be it further enacted*, That all unexpended funds remaining from completed projects authorized under this Act shall be transferred to the Annuity Bond Fund and shall be applied to the debt service requirements of the State, said transfer to be made one year after the date of the final acceptance of the projects by the State, said date of final acceptance to be certified in writing to the Board of Public Works by the Department of Public Improvements.

SEC. 7. *And be it further enacted*, That any furniture, fixtures and/or equipment authorized to be paid for from the sales of the Certificates of Indebtedness authorized by this Act shall be, where possible, manufactured or produced by the State Use Industries operated by the Department of Correctional Services, in accordance with the provisions of Section 681 of Article 27, Annotated Code of Maryland (1967 Replacement Volume).

SEC. 8. *And be it further enacted*, That, except as otherwise provided in this Act, no department, board, commission, agency or institution specified or named in this Act shall begin any work with funds secured pursuant to the provisions of this Act unless satisfactory assurances are made to the Board of Public Works that the work described in the individual terms in this Act can be completed with the funds specified for each such item respectively.

SEC. 9. *And be it further enacted*, That where Federal funds may be available to help accomplish any specific projects in this Act, the using department or agency shall be obligated to seek the allocation of such Federal funds to apply to the cost of the particular project. In seeking approval of the Board of Public Works for award of a contract under a specific appropriation under this Act, the using department or agency shall formally advise the Board of Public Works that efforts have been made through proper administrative procedures to obtain such Federal funds, and the reason, if any, why the Federal funds were not obtained. Availability of Federal funds where allocated is intended to defray the cost of the approved project, not expand its scope, except in the case of projects of the Department of Forests and Parks. These latter projects may be expanded in scope beyond that proposed in the specific appropriation in this Act if the addition of Federal funds makes this possible, but not beyond the total park acreage or development contemplated for the State park or recreation area to which it applies, as evident from the master plan for State parks and recreation areas as adopted by the Department of Forests and Parks.

SEC. 10. *And be it further enacted*, That if any project listed in Section 5 of this Act shall not have been contracted for within two (2) years from the effective date of this Act, then such project shall be deemed to have been abandoned. If the total loan authorized herein shall have been issued within two (2) years from the effective date of this Act, then the amount specified herein for said abandoned project shall be transferred to the Annuity Bond Fund and shall be applied to the debt service requirements of the State. If, however, the total loan authorized herein shall not have been issued within two (2) years from the effective date of this Act, then the total issuable Certificates of Indebtedness authorized herein shall be reduced by the amount specified herein for said abandoned project.
