

districts and precincts within the county or Baltimore City, as the case may be. *The Board of Supervisors of Elections in every county and Baltimore City shall provide and have available for public information and distribution maps and descriptions, which shall delineate by streets, monuments, and other appropriate geographical descriptions each precinct, Councilmanic district, House of Delegates district, State Senatorial district and Congressional district which is within its area or of which its area is a part. The respective maps and descriptions shall provide a clear and concise delineation of boundaries which can be easily understood by laymen. The maps and descriptions provided by any board can include more than one precinct or district and will comply with this section, provided the delineation of boundaries is clear and concise and can be easily understood by laymen.*

(3) If a State Senatorial district or Congressional district comprises portions of two or more of the political subdivisions, the two or more Boards of Supervisors of Elections shall cooperate in providing and having the description available for public information. If an entire county is part or all of a State Senatorial district or Congressional district, the county boundary lines may be so referred to and need not be further described by street, monument, or geographical description.

(4) Any Board may charge reasonable fees for such maps and descriptions. However, these fees cannot be in excess of the proportionate cost for production of each map and description. No Board shall prepare any unduly expensive maps and descriptions.

(5) Each Board shall file with the State Administrative Board of Election Laws all maps and descriptions required under this section.

SEC. 2. *And be it further enacted, That this Act shall take effect June 1, 1970.*
