

section (a)(4)] *those terms are defined, respectively, in subsections (a)(3) and (a)(4) of this section. No wrecker or scrap processor shall be entitled to obtain a license unless:*

(i) Application for a license shall be made to the Department on forms prescribed by it;

(ii) The applicant's said business is conducted at a fixed location;

(iii) The applicant's storage area is sufficient to accommodate at least twenty-five (25) vehicles to be scrapped, dismantled, or destroyed;

(iv) The applicant maintains a substantial office in which books of account and records of such business are kept;

(v) The applicant has erected a substantial and legible sign, in a location on the site of the place of business and readily seen by the public, advertising the type of business conducted at such location;

(vi) The fee of \$15 is paid to the Department for the issuance of such wrecker's license and a fee of \$100 is paid to the Department for the issuance of such scrap processor's license. Said licenses to be renewed annually;

(vii) A copy of the application shall be submitted to the State Department of Health for its comments on matters pertaining to air pollution and health generally;

(viii) In the case of a scrap processor, he maintains a hydraulic baler and shears, or a shredder, or such other equipment suitable for processing motor vehicle scrap as required by regulation of the Department.

88.

(i) To any person who is unable to understand street and highway warning or [directions] *direction* signs written in the English language;

90.

(a) Any person who desires to obtain a driver's license or who desires to be licensed in a class for which he is not already licensed shall apply to the Department for the class or classes of license in which he desires to be licensed upon a form furnished by the Department and every said application shall be accompanied by a fee of eight *dollars* (\$8.00) [dollars], [“four dollars”] *four dollars* (\$4.00) of said fee shall go into a special fund as specified in subsection (h) herein below. Each applicant for an original license or permit shall submit with his application a birth certificate or other proof of age and identity satisfactory to the Department. Except as hereinafter authorized, the Department shall issue to each applicant an instruction and examination license prior to issuing a driver's license. The instruction and examination license shall specify the class or classes of vehicles for which it is valid, as provided in Section 92.

92.

(h) A Class B license shall authorize the licensee to drive trucks with a gross weight of 20,000 pounds or more, and any vehicle which the holder of a Class C or D license may drive.
