

a new Section 387C (c) 1 (vii) be and it is hereby added to the same Article, to follow immediately after Section 387C (c) 1 (vi) (B) thereof, all of such amended, renumbered and new Sections to be under the title "Health," subtitle "Water, Ice and Sewerage," all to read as follows:

387C.

(a) Definitions. As used in this subsection:

1 "County Plan" means a comprehensive plan and all amendments and revisions thereof for the provision of **[both]** adequate water supply systems and sewerage and solid waste disposal systems and solid waste acceptance facilities throughout the county to include all towns, municipal corporations, and sanitary districts therein.

387C.

(a)

12 "Solid Wastes" means all refuse materials, other than gaseous and liquid wastes, from all public and private establishments and residences.

13 "Solid Waste Disposal System" means any system, whether publicly or privately owned, which ~~provide~~ PROVIDES scheduled or systematic collection of solid wastes and their transportation to and treatment or other disposition at a solid waste acceptance facility. A solid waste disposal system includes all solid waste acceptance facilities used in connection with the system.

14 "Solid Waste Acceptance Facility" means any sanitary land-fill, incinerator, transfer station or any other type plant the primary purpose of which is for the disposal, treatment or processing of solid wastes.

387C.

(b) 1 (I) The governing body of each county shall, adopt and submit to the Department, a county plan dealing with water supply systems and sewerage systems no later than January 1, 1970, and a complete county plan dealing also with solid waste disposal systems and solid waste acceptance facilities no later than January 1, 1974; and shall from time to time submit amendments or revisions of such plan, as it deems necessary or as may be required by the Department provided said governing body shall give notice to the principal elected official of any municipal corporation concerned, who shall be granted an opportunity to be heard with respect to such plans, amendments or revisions, and after said governing body has given reasonable opportunity for a public hearing to be held thereon.

387C.

(b) 1 (II) In Prince George's and Montgomery counties the governing bodies shall respectively establish the goals, purposes and concepts that each desires to serve as a basis for the plans for its county which are required by this section and transmit the same not later than May 1, 1968, and with annual revisions on the first
