

(j) "Depressant or stimulant drug" shall mean—

(i) a drug which contains any quantity of barbituric acid or any of the salts of barbituric acid; or any derivative of barbituric acid which has been designated by the Secretary of Health, Education and Welfare as habit forming under Section 502 (d) of the "Federal Food, Drug, and Cosmetic Act".

(ii) a drug which contains any quantity of amphetamine or any of its optical isomers; any salt of amphetamine or any salt of an optical isomer of amphetamine; or any substance which the Attorney General of the United States, after investigation, has found to be, and by regulation designated as, habit forming because of its stimulant effect on the central nervous system.

(k) "Dispense" shall mean to deliver a controlled dangerous substance to the ultimate user or THE human research subject by or pursuant to the lawful order of a practitioner, including the packaging, labeling, or compounding necessary to prepare the substance for such delivery. "Dispenser" is a practitioner who delivers a controlled dangerous substance to the ultimate user or human research subject.

(l) "Distribute" shall mean to deliver a controlled dangerous substance. "Distributor" means a person who delivers a controlled dangerous substance.

(m) "Drug" means (1) articles recognized in the official United States Pharmacopoeia, official Homeopathic Pharmacopoeia of the United States, or official National Formulary, or any supplement to any of them; and (2) articles intended for use in the diagnosis, cure, mitigation, treatment, or prevention of disease in man or other animals; and (3) articles (other than food) intended to affect the structure or any function of the body of man or other animals; and (4) articles intended for use as a component of any article specified in clause (1), (2), or (3) of this paragraph; but does not include devices or their components, parts, or accessories.

(n) "Drug dependent person" shall mean a person who is using a controlled dangerous substance and who is in a state of psychic or physical dependence, or both, arising from administration of that controlled dangerous substance on a continuous basis. Drug dependence is characterized by behavioral and other responses which include a strong compulsion to take the substance on a continuous basis in order to experience its psychic effects, or to avoid the discomfort of its absence.

(o) "Marihuana" shall mean all parts of the plant *Cannabis sativa* L., whether growing or not; the seeds thereof; the resin extracted from any part of such plant; and every compound, manufacture, salt, derivative, mixture, or preparation of such plant, its seeds or resin, but shall not include the mature stalks of such plant, fiber produced from such stalks, oil or cake made from the seeds of such plant, any other compound, manufacture, salt, derivative, mixture, or preparation of such mature stalks (except the resin extracted therefrom), fiber, oil, or cake, or the sterilized seed of such plant which is incapable of germination.

(p) "Manufacture" shall mean the importation, production, preparation, propagation, compounding, or processing of a controlled dangerous substance, either directly or indirectly by extraction from
