

(e) *In the event the Department suspends or revokes a registration granted under Section 281, all controlled dangerous substances owned or possessed by the registrant pursuant to such registration at the time of suspension or the effective date of the revocation order, as the case may be, may in the discretion of the Department be placed under seal. No disposition may be made of substances under seal until the time for taking an appeal has elapsed or until all appeals have been concluded unless the court, upon application therefor, orders the sale of perishable substances and the deposit of the proceeds of the sale with the court. Upon a revocation order becoming final, all such controlled dangerous substances shall be forfeited to the State.*

(f) *The Bureau of Narcotics and Dangerous Drugs shall promptly be notified of all orders suspending or revoking registration and all forfeitures of controlled dangerous substances.*

283. *Records of Registrants:*

Upon the effective date of this Act, each registrant manufacturing, distributing or dispensing controlled dangerous substances in Schedules I, II, III, or IV shall make a complete and accurate record of all stocks of such dangerous substances on hand. Thereafter, complete and accurate records of all such dangerous substances shall be maintained for two years. Each two year period after the effective date of this Act, at the time of his regular fiscal inventory, each registrant manufacturing, distributing, or dispensing controlled dangerous substances shall prepare an inventory of each dangerous substance in his possession. Records and inventories shall contain such information as shall be provided by rules and regulations promulgated by the Department. This subsection shall not apply to practitioners who lawfully prescribe or administer, but not otherwise dispense, controlled dangerous substances listed in Schedules II, III, or IV of this subheading. Compliance with the provisions of the Federal law respecting records and reports shall be deemed compliance with this section.

284. *Order Forms:*

Controlled dangerous substances in Schedules I and II shall be distributed only by a registrant, pursuant to an order form. Compliance with the provisions of the Federal law respecting order forms for these schedules shall be deemed compliance with this section.

285. *Prescriptions:*

(a) *Except when dispensed directly by a practitioner, other than a pharmacist, to an ultimate user, no controlled dangerous substance included in Schedule II, which is a prescription drug as determined under Article 43, may be dispensed without the written prescription of a practitioner: Provided, that in emergency situations, as prescribed by the Department by regulation, such drug may be dispensed upon oral prescription reduced promptly to writing and filed by the pharmacist, if such oral prescription is authorized by Federal law. Prescriptions shall be retained in conformity with the requirements of Section 282 of this subheading, as amended from time to time. No prescription for a Schedule II substance may be refilled.*
