

On the back of the foregoing Instrument is their Ind-
-orsed as follows viz.

Manland. The deposition of Hermanus
Schee Aged fifty five or thereabouts Saith that within
Certificate is a just and true Copy of a Certificate of the
Resurvey made upon the Land therein mentioned when
He was Surveyor of Kent County which Certificate was give-
-en by this Deponent to a certain William Blay of the
Said County who promised to deliver the same faithfully
into the Land Office, and this Deponent Saith he never
received nor did any return of the same from the Land
Office & further Saith that he never signed any other
Certificate nor made any ~~other~~ alteration in the said
Certificate Deliv'd to William Blay but that it exactly
agreed with the within Copy of the Certificate & further
this Deponent Saith that when the said William Blay
returned from Annapolis this Deponent asked the said Blay
if he got his patent for the within mentioned Land & if
the said Certificate was accepted of, to which the said Blay
answered that he was forced to get the Certificate alter'd
by Mr Lerkens for which he gave one Guinea or one
Lisole this Deponent cannot be positive which, but
that it was one of the two and further this Deponent
Saith not. Kent County December 15th 1727.
