

or be subject to pay any Debts Claims or Demands whatsoever against the Estate of the said John Smith or as Executor thereof and the said James Marshall shall return a receivable part of the Estate of the said John Smith delivered to him by the said Young Parran in aid towards the discharge and Satisfaction of all and every such Debts Claims and Demands as aforesaid and also that in case the said James Marshall shall well and truly at all Times and Time hereafter save and keep harmless and indemnified the said Young Parran his heirs Executors & Administrators against all and every Claim and Demand that shall or may at any Time be made against him or them in respect of all or any of the Articles of the said Estates delivered to him the said James Marshall by him the said Young Parran and also in respect of his the said Young Parrans delivery thereof to the said James Marshall then the said Obligations to be void otherwise to remain and be in full force and Virtue in Law

And Whereas the aforesaid James Marshall since the Execution of the said Deeds to him hath taken and actually received the Rents Issues and Profits of a considerable part of the Premises in so much that by an account thereof now rendered it appears that of the said Sum of One hundred and fifty six Pounds two Shillings and three pence Current Money and the aforesaid Debt due as aforesaid to the s<sup>d</sup> John G. Lafford and Comp<sup>ys</sup> as well as all advances and Credits given by the said James Marshall there is now due after deducting the Rents and Profits by him the said James Marshall already actually received and due only the sum of Two hundred & nine Pounds & five pence Current Money But it is apprehended the said Deeds so made to the s<sup>d</sup> James Marshall are not artificial in the frame of them to Effect the purposes intended hereby Now this Indenture Witnesseth that the said Hutchinson Parker and Abner his wife for the better carrying ~~on~~ into Execution the purpose and Intention of the said recited Deeds and in Consideration of five Shillings Current Money
