

(e) If fifty (50) property owners residing in said area are dissatisfied with the establishment of the district by the [Commission] Department after said hearing, they shall have the right to take and enter within ten (10) days after [said commission's] the Department's decision is filed with the clerk of the county commissioners an appeal to the County Commissioners of Cecil County. The County Commissioners of Cecil County shall review the decision of the [Commission] Department after having given notice by publication in one or more newspapers published within the county once a week for three (3) successive weeks and by written notice to the protestants, which notice shall specify the time and place at which the hearing will be held. The county commissioners after reviewing the facts at said hearing may, in their discretion, reverse the decision of the [Commission] Department or may sustain the decision of the [Commission] Department and they shall have authority to arbitrate the limits of the sanitary district, subject to recommendations of the [Metropolitan Commission] Department and the state and county health departments, by including or deleting those areas not to be served. If the said property owners are dissatisfied with the order of said county commissioners, they shall have the right to take and enter within thirty (30) days after the decision of said county commissioners an appeal to the Circuit Court for Cecil County. In the event no appeal is taken from the decision of the [Commission] Department approving said district or in the event the county commissioners and the court, if such an appeal is taken thereto, rule that said sanitary district is necessary for the health, welfare and safety of the residents residing therein, then [said commission] the Department shall cause plats of such area to be made under the supervision of its chief engineer showing the proposed water and/or sewerage system, one copy of which plat shall be filed in the office of the [Commission] Department, one in the office of the county commissioners and one in a plat book indexed [“Cecil County Metropolitan Commission”] “Department of Public Works” in the office where the land records of Cecil County are kept, and upon the filing of said plat and the approval thereof by the county commissioners of said county and the [Commission] Department, such sanitary district or districts shown on said plat shall be and the same is hereby designated and constituted for the purpose of this chapter to be a separate sanitary district and shall be given by the [Commission] Department a distinctive name and shall be subject to all of the provisions of this chapter, and the filing of said plat shall constitute legal notice to the public of such action of the [Commission] Department. For the purpose of providing for the organization and preliminary expenses of any newly constituted sanitary district or districts, the county commissioners shall furnish the [Commission] Department a sum not exceeding twenty-five thousand dollars (\$25,000.00) which shall be repaid out of the first bond issue or income of the particular district. For the purpose of assisting in the construction of needed sanitary facilities, whether within or without any duly constituted sanitary district, the county commissioners may make loans or grants to the [Commission] Department under appropriate written agreements. The county commissioners may make general fund appropriation or borrow funds for this purpose, upon such terms and conditions as they deem right and proper.
