

tems or for solid waste acceptance facilities, unless such systems or facilities are found to be in conformance with the county plan, amendments or revisions thereof.

4. Applicants for building permits or subdivision approvals, or community water supply or sewerage systems construction approval or solid waste acceptance facility construction approval, shall submit to the approving authority such information in such form as may be reasonably necessary and required, to show compliance with paragraph 3 of this subsection.

5. County plan shall be reviewed by the governing body of the county at least annually and a report of the review together with amendments thereto or revisions thereof to cover the succeeding ten-year period as adopted by the governing body, shall be submitted to the Department.

6. Any violation of paragraph 3 of this subsection shall be punishable by a fine of not to exceed \$100 for each day of such violation. The imposition of any such fine shall not bar any other relief or penalty otherwise applicable.

(e) 1. Nothing in this section shall be construed to prohibit the installation or operation of water supply systems used solely for purposes not requiring potable water.

2. Any county exempt from the provisions of this section shall not be entitled to receive funds from the Sanitary Facility Fund as authorized by Section 387B of this article.

(f) The provisions of any zoning ordinance, subdivision regulation, building code, or other law of the State or any regulation adopted thereunder or any law, ordinance or regulation of any municipality or county of the State, establishing standards to which afford greater protection to the public health, safety and welfare of the community, shall not be limited or superseded to the extent of its or their greater protection by regulations adopted pursuant to this section.

SEC. 2. *And be it further enacted*, That this Act shall take effect July 1, 1971.

Approved May 17, 1971.
