Approved May 24, 1971.

CHAPTER 714
(House Bill 752)

AN ACT to repeal and re-enact, with amendments, Section 387C(b)1(II) and (b)4(vii) of Article 43 of the Annotated Code of Maryland (1970 Cumulative Supplement), title "Health," subtitle "Water, Ice and Sewerage," and to add a new Section 387C(b)1(III) to said Article and title of the Code to follow immediately after Section 387C(b)1(II) thereof, to provide that in Montgomery County, the County Council shall have the responsibility and authority for the approval of its county plans and annual revisions dealing with water supply systems, sewerage systems and solid waste disposal and acceptance systems, to provide that the County Executive shall have the responsibility for preparing the plans and annual revisions, to authorize the County Council and the County Executive to obtain coordination of the county plans with the Washington Suburban Sanitary Commission and the Maryland-National Capital Park and Planning Commission, and relating generally thereto.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That Section 387C(b)1(II) and (b)4(vii) of Article 43 of the Annotated Code of Maryland (1970 Cumulative Supplement), title "Health," subtitle "Water, Ice and Sewerage," be repealed and re-enacted, with amendments, and a new Section 387C(b)1(III) be added to said Article and title of the Code to follow immediately after Section 387C(b)1(II) thereof and to read as follows:

387C(b)1.

(II) In Prince George's [and Montgomery counties] *county* the governing [bodies] *body* shall [respectively] establish the goals, purposes and concepts that [each] *it* desires to serve as a basis for the plans for its county which are required by this section and transmit the same not later than May 1, 1968, and with annual revisions on the first day of July, 1970 and on the first day of July in each year thereafter, to the Washington Suburban Sanitary Commission, directing the said Commission to immediately prepare and coordinate with the governing [bodies] *body* the water and sewerage county plans and all revisions and amendments thereto, which are required by or provided for in this section and all of such revisions, plans and amendments shall be submitted by the said Washington Suburban Sanitary Commission to the [respective] governing [bodies] *body* not later than October 15, 1969 and annually thereafter no later than October 1st, for [their] *its* consideration and action. The governing body of [each of the two mentioned counties] *Prince George's County* shall hold a public hearing on the county plan, and the annual review thereof, ten days notice of which shall be given by one publication in a newspaper or newspapers of general
