

circulation in the [respective counties] county. Where recommendations have been received from the Maryland-National Capital Park and Planning Commission as provided for in subsection (b) (4) (vii) hereof the Sanitary Commission does not agree therewith, the Sanitary Commission shall submit, in writing, to the [applicable] governing body of *Prince George's County*, its reasons for not accepting such recommendations and furnish a copy to the said Park and Planning Commission. Where recommendations for any change in a proposed county plan are received from the Park and Planning Commission, the [applicable] governing body of *Prince George's County* shall separately consider and vote on each item which received such recommendation. After the [respective] public hearing[s], [each] the governing body of *Prince George's County* shall review and amend as it may see fit the proposed plan or annual revision thereto and thereafter shall approve the plan or annual revision and submit it to the State Department of Health, all within the time requirements as elsewhere set forth in this section. This subsection shall not apply to the solid wastes management portion of the County plan.

(III) *In Montgomery County, the County Council shall have the responsibility for the approval of the plans and annual revisions of such plans for Montgomery County. The County Council shall prepare a statement of the objectives and policies to be achieved and implemented by the plans and which shall include any or all related aspects of planning, zoning, population estimates, engineering, economics and State, regional, municipal, local and area plans to be taken into consideration, included in, or noted by the plans. The County Council may make such annual revisions in its established objectives and policies as it deems necessary. The County Executive shall have the responsibility for preparing the plans and annual revisions of plans for Montgomery County to achieve the objectives and policies established by the County Council. The Washington Suburban Sanitary Commission and the Maryland-National Capital Park and Planning Commission shall provide to the Council and County Executive such information and assistance as may be reasonably required by either or both of them for their respective above-stated functions in the preparation, review and adoption of the plans and annual revisions thereof, with the procedures for the requests and for the transmittal of responses, including a reasonable timetable therefor, to be worked out among the County Executive and the Council and the two Commissions. The Sanitary Commission shall provide requested information as to engineering, design, present and future capacities, available service projections and fiscal elements of the water and sewerage plans and annual revisions thereof, and the Park and Planning Commission shall provide requested information as to population, growth projections, planning factors and other developmental criteria specified by the County Council or County Executive. The County Executive shall prepare and submit to the County Council a preliminary draft for its consideration, revision, modification, comments and approval as a preliminary plan. The final plans or annual revision of plans shall be prepared by the County Executive, conformable with the action of the Council in approving the preliminary drafts, taking into consideration significant intervening planning or development changes. The County Council shall hold a public hearing on the proposed final county plans and the annual ~~revision~~ REVISION thereof, ten days notice of which shall be given by one publication in a newspaper or newspapers*
