

of the Secretary of Transportation and under the provisions of Section 8 of Article 15A may, in any fiscal year, [allocated] *allocate* from the Transportation Trust Fund to a "Municipality-Urban Area Highway Construction Fund," which is hereby established, a sum equal to such amount of federal-aid urban highway funds that may become available from the Bureau of Public Roads and that may be allocated by the State Roads Commission to the several municipalities and urban areas and that may subsequently be released by such municipalities and urban areas to the State Roads Commission for use on the State highway system. Such Municipality-Urban Area Highway Construction Fund shall be subject to apportionment by the State Roads Commission and matching construction funds shall be required of each such municipality and urban area participating in such program. Such Municipality-Urban Area Highway Construction Fund and such matching funds shall be expended only for highway construction and reconstruction projects under such rules and regulations as the Commission shall determine.

34.

(f) No distribution as provided in this section shall be made to any county or municipality, however, unless it shall have levied, in its current fiscal year, taxes sufficient to collect a minimum of one dollar per capita in revenue and unless it shall have certified a copy of said levy to the State Comptroller; and provided further, that any moneys, otherwise distributable under this section, which shall not be distributed at the close of the fiscal year of said county or municipality because of failure of said county or municipality to make such levy or certification, shall revert to the Transportation Trust Fund. Per capita revenue shall be computed for purposes of this section by using the population figures furnished by the latest federal census, or by an official local ~~census~~ CENSUS, whichever is latest.

37.

(d) Preparation of contract plans and specifications; estimates; supervision of construction; inspection of workmanship and materials; mill and [ship] *shop* inspection; tests of materials; control surveys; traveling, transportation and subsistence; expenses of engineers assigned to the design preparation of contract plans and specifications; surveys, supervision of construction and inspection of construction work.

SEC. 2. *And be it further enacted*, That this Act shall take effect July 1, 1971.

Approved May 24, 1971.
