

WHEREAS, no comprehensive study of these problems has yet been undertaken; and

WHEREAS, such a study is essential for both the successful operation of the Airport and for the welfare of Anne Arundel County; now, therefore, be it

*Resolved by the General Assembly of Maryland, That a Commission be appointed by the President of the Senate of Maryland and the Speaker of the House of Delegates of Maryland, for the purpose of studying; THE JOINT BUDGET AND AUDIT COMMITTEE OF THE GENERAL ASSEMBLY IS REQUESTED TO STUDY;*

(1) The need for access roads to and from the Airport within a reasonable area surrounding it.

(2) The need for increased police services to adequately meet the needs for police protection at the Airport and surrounding area.

(3) The lack of ambulance facilities.

(4) The need for increased fire protection at the Airport, with special emphasis on the many types of fire-fighting equipment required by the airport but not normally used by fire departments at large; and be it further

*Resolved, That the recommendations of this Commission THE COMMITTEE be reported not later than November 1, 1971 to the Governor, the Department of Transportation, the County Executive and County Council of Anne Arundel County, the President of the Senate, and the Speaker of the House of Delegates.*

Approved May 6, 1971.

No. 21

(Senate Joint Resolution 92)

Senate Joint Resolution requesting the Legislative Council to conduct a comprehensive study of community antenna television including but not limited to its relation to the State, county and municipal levels of government.

WHEREAS, Community antenna television is being introduced at an unprecedented pace in the State of Maryland;

WHEREAS, Community antenna television will be of interest to the State, county and municipal governments for many future years;

WHEREAS, Community antenna television is a modern development offering significant communication advantages to the citizens of Maryland;

WHEREAS, Community antenna television may have many applications to State, county and municipal government unknown to many officials in those levels of government;

WHEREAS, Cooperation between the State, county and municipal governments in regard to community antenna television is highly
