

tion, the Town may use its condemnation powers provided in Section 92. Any violation of an ordinance passed under the provisions of this section may be made a misdemeanor.

74. (Entering on County Public Ways): The Town may enter upon or do construction in, on, or over any county public way for the purpose of installing or repairing any equipment or doing any other things necessary to establish, operate, and maintain the water system, water plant, sanitary sewerage system, sewage treatment plant, or storm water sewers provided for in this Charter. Unless required by the county, the Town need not obtain any permit or pay any charge for these operations, but it must notify the county of its intent to enter on the public way and must leave the public way to a condition not inferior to that existing before.

75. (Connections): The Town shall provide a connection with water and sanitary sewer mains for all property abutting on any public way in which a sanitary sewer or water main is laid. When any water main or sanitary sewer is declared ready for operation by the Town, all abutting property owners after reasonable notice shall connect all fixtures with the water or sewer main. The Town may require that, if it considers existing fixtures unsatisfactory, satisfactory ones be installed and may require that all cesspools, sinkdrains, and privies be abandoned, filled, removed or left in such a way as not to injure public health. All wells found to be polluted or a menace to health may be ordered to be abandoned and closed. Any violation of an ordinance passed under the provisions of this section may be made a misdemeanor.

76. (Charge for Connections): The Town may make a charge, the amount to be determined by the Council, for each connection made to the Town's water or sewer mains. This charge shall be uniform throughout the Town, but may be changed from year to year. Arrangements for the payment of this charge shall be made before the connection is made.

77. (Improper Uses): In order to prevent any leakage or waste of water or other improper use of the Town's water system or sewage disposal system, the Town may require such changes in plumbing, fixtures, or connections as it deems necessary to prevent such waste or improper use.

78. (Private Systems): The Town may by ordinance provide that no water supply, sewerage, or storm water drainage system, and no water mains, sewers, drains, or connections therewith, shall be constructed or operated by any person or persons, firm, corporation, institution, or community, whether upon private premises or otherwise, and may provide that cesspools or other private methods of sewage disposal shall be operated and maintained in such a manner that they do not and will not be likely to affect adversely the public comfort and health, and any cesspool or other private method of sewage disposal affecting or likely to affect adversely the public comfort and health may be deemed a nuisance and may be abated by the Town. Any violation of an ordinance passed under the provisions of this section may be made a misdemeanor.

79. (Extensions Beyond Boundaries): The Town shall have the power to extend its water or sewerage systems beyond the Town limits.

80. (Right of Entry): Any employee or agent of the Town, while in the necessary pursuit of his official duties with regard to the water or sewage disposal systems operated by the Town, shall have the right of entry, for access to water or sewer installations, at all reasonable hours,
