

licensees, being an "Electrical Contractor" and "Electrical Contractor Limited"; to provide for the establishment of a Board of Electrical Examiners composed of five (5) members, residents of the County, which Board shall be empowered to provide for the examination of licensees, and shall be further empowered to grant, deny, revoke, or suspend licenses after hearing, subject to appeal to the County Board of Appeals; to provide standards for the granting, denial, revocation, and suspension of licenses; to require certain performance bonds and liability insurance; to provide for compensation for Board members, for administrative procedures, and the enforcement of the Act; and to provide penalties for violation of the law.

*Be It Enacted by the County Council for Montgomery County Maryland, that—*

*Section 1.* Article II, Chapter 83, title "Electrical Contractor's License," Montgomery County Code 1965, is hereby repealed and re-enacted, with amendments, to read as follows:

## ARTICLE II. Electrical Contractor's License

### DIVISION I. GENERALLY

#### Sec. 83-22. *Definitions.*

As used in this Article, the following words and phrases shall have the meanings respectively ascribed to them by this section:

*Board.* The term "board" shall mean the board of electrical examiners created by this Article.

*Director.* The term "director" shall mean the director of the department of inspection and licenses.

*Inspector.* The term "inspector" shall mean an authorized agent of the department of inspection and licenses.

*Licensee.* The term "licensee" shall mean any person, firm, company, corporation or partnership to whom a license has been issued hereunder.

*Electrical Contractor.* The term "electrical contractor" shall mean a person, firm, company, corporation or partnership, principally engaged in business, and holding themselves out to the public as being licensed by Montgomery County, to contract to install, repair, maintain, erect and design electrical equipment, apparatus and systems, within the purview of the National Electrical Code, Montgomery County Electrical Code, and all the latest and current editions and amendments thereto, including, but not limited to electrical raceways, conductors, fixtures, signs, motors, switchgears and distribution systems, fixed electric heating systems or any other fixed electrical equipment or apparatus which conducts or consumes electricity.

*Electrical Contractor Limited.* The term "electrical contractor limited" shall mean a person, firm, company, corporation or partnership, principally engaged in business, and holding themselves out to the public as being licensed by Montgomery County to contract to install, repair and maintain a particular appliance, apparatus, device, or fixture within the purview of the National Electrical Code, Montgomery County Electrical Code, and all the latest and current editions and amendments thereto, and limited to a branch circuit or feeder for elevators; gasoline pumps; automatic heating furnaces whose principal operation is derived from fuel
