

payment of additional contributions in excess of five percent for this period; provided, however, that there shall be deducted from the salary of any person who enters service with the county police on or after July 1, 1960, or re-enters pursuant to subsection (g) hereof, on or after July 1, 1960, six and one-half percent of such salary, such person thereby being eligible for retirement after twenty-five years of service irrespective of age. All members of the county police shall be retired at the age of sixty-five; except that upon recommendation of the superintendent of the county police, the county executive may grant an extension.

\* \* \*

(c) Whenever any member of the Montgomery County police is injured or contracts a disease in the performance of police duties or any injury or disease is aggravated by such duty and such injury or disease or aggravation disables him for the performance of police duty, such member may make written application to the county personnel board for retirement and relief, or the county executive may make application for his retirement upon his failure or refusal to do so. Upon a finding of fact by such board in support of the foregoing provisions of this subsection, such member shall be retired and receive relief from the police relief and retirement fund in the amount of fifty percent per annum, payable monthly, of the annual salary received by such member at the date of retirement; provided, that, in the event such member has served more than twenty-five years in the county police, he shall receive an additional two percentum per annum for each year beyond twenty-five years but not to exceed sixty percent per annum of his annual salary at the date of his retirement; provided, that the county personnel board shall, in determining whether such injury occurred or disease was contracted in the performance of police duties or such injury or disease was aggravated by such duty and such injury or disease or aggravation disabled him for the performance of police duties, solicit recommendations and advice from the county executive (except where the retirement application is initiated by the county executive), the superintendent of police, and competent medical authority as it may deem necessary.

(d) Whenever any member of the Montgomery County police, having served not less than five years, shall have become incapacitated either by accident, disease or disability contracted not in line of duty so as to be unable to perform his duties, such member may make written application to the county personnel board for retirement and relief or the county executive may make application for his retirement upon the member's failure or refusal to do so. Upon a finding of fact by the county personnel board in support of the foregoing provisions of this subsection he shall be retired from the service thereof and be entitled to receive relief from the police relief and retirement fund in an amount to be determined as follows: If he shall have served more than five years but less than six years on such police prior to being incapacitated, he shall receive compensation amounting to ten percentum per year of the salary received by him at the date of retirement and for each additional year he shall have served on such police prior to incapacitation, he shall receive an additional two percentum per year of the salary received by him at the date of retirement but in no case shall any member of such police who is retired under the provisions of this section receive compensation in excess of sixty percentum of his annual salary at the date of retirement.

*Section 4.* Section 27-3, Chapter 27, title "In General," of the Montgomery County Code 1965, is hereby repealed and re-enacted, with amendments, to read as follows:
