

- (5) Noise of impulsive character (hammering, etc.) minus 5
- (6) Noise of periodic character (hum, screech, etc.) minus 5

(d) Sound pressure level shall be measured with a Sound Level Meter and Octave Band Analyzer conforming to the specifications of the American Standards Association.

Section ~~13-315.15~~ 13-315.13—Glare and Heat

Direct or sky-reflected glare (excluding signs or floodlighting of parking area otherwise permitted by this subtitle) shall not be visible at the lot line; nor shall there be any emission or transmission of heat or heated air discernible at the lot line.

Section ~~13-315.16~~ 13-315.14—Non-Radioactive Liquid or Solid Wastes

No liquid or solid materials may be discharged at any point into any public or private sewage disposal system or stream, or into the ground except if approved by the Anne Arundel County Health Department, the Department of Public Works and the Department of Water Resources.

Section ~~13-315.17~~ 13-315.15—Landscaping

Landscaping (including planting of grass, trees, shrubs, and other comparable land cover to the maximum extent possible) shall be in accordance with the site plan. A fully landscaped park-like setting shall be established and maintained inside and along the boundary of the entire park district.

Section ~~13-315.18~~ 13-315.16—Maintenance

The interior and exterior of all buildings and structures, and all walkways, trees, shrubs, landscape, and other open and paved areas constructed, erected or installed on the lot or lots developed shall be kept in a neat, clean, orderly and sanitary condition (including the removal of all refuse, rubbish, snow and ice).

Section ~~13-315.19~~ 13-315.17—Outdoor Storage

Outdoor storage shall be permitted provided:

- (1) Ground coverage does not exceed fifteen percent (15%) of the lot area; and
- (2) The storage area is screened from any road right of way or adjacent property by a wall not exceeding eight feet (8') in height, of such construction and appearance as to be commensurate with the construction of the primary structure; and
- (3) No storage shall extend above the height of the screening wall; and
- (4) Outside storage shall only be placed in the rear yard.

**Control of Air Pollution in M1—Industrial Park Districts**

Section ~~13-315.20~~ **Visible Emissions from Existing Fuel Burning Equipment**

No person shall cause, suffer, allow or permit emissions from any existing fuel burning equipment which are darker in shade or appearance than that designated as No. 2 on the Ringelmann Smoke Chart; or of such opacity as to obscure an observer's view to a degree greater than does smoke designated as No. 2 on the Ringelmann Smoke Chart. For
