Category A: Real property which is, in whole or in part, owned, held in trust, held under executory contract, whether written or oral, conveyed by deed recorded or unrecorded, by or for the public official, whether directly or through a holding company, syndicate, partnership, corporation, trust, or other form, whether in fee simple absolute or lesser interest, and whether or not subject to a mortgage, lien, or other encumbrance, or condition precedent or subsequent.

Category B: Any other real property (regardless of title or ownership) which, if it increased in value, would directly or indirectly benefit such public official, whether or not such benefit would be enforceable, vested, contingent, current or future.

Such schedule shall identify such real estate by size, location improvements, then current market value, and the identity of any other person, firm or corporation having any beneficial interest of any nature therein; as well as the interest or connection therewith of such public official.
