

acquisition of additional land for such purposes, taking into account public land owned and managed for identical or similar purposes by federal agencies and by counties, municipalities and other subdivisions of the State.

(6) Establish and maintain, for the use of the Department of Natural Resources, a natural resources library cataloged according to a recognized library system and containing legal, scientific and administrative reports, books, documents, photographs, records and other information on the natural resources and natural resources administration.

154.

(c) All nonowners of shoreline may make a choice of "set" or position between October 22 and November 1, inclusive of each and every year and clearly mark the same as hereinbefore provided. Said stake shall be at least five hundred (500) yards from the nearest licensed blind or blind site and not less than one hundred and fifty (150) yards from the nearest dwelling, and said [license] licensee shall have the sole right to hunt at said blind site by means of floating or boat blinds or body booting.

165.

Any person convicted before any court of competent jurisdiction of this State for violating any of the provisions of Sections 154 to 164, unless a specific penalty is otherwise provided, shall be fined not less than twenty-five dollars (\$25.00) nor more than one hundred dollars (\$100.00) for each and every offense.

165C.

The sanctuary as provided for in this [subsection] *subheading* is placed under the control and supervision of the Department of Natural Resources of this State and this Department has the power to make rules and regulations for the supervision of the sanctuary and to patrol and enforce the provisions of this [subsection] *subheading* and any regulations which may be formulated by it.

411AB.

Any person, partnership, or corporation who shall discharge raw sewage or other waste of any kind into the river, or any of its tributaries, shall be guilty of a misdemeanor, and upon conviction thereof shall be punished as provided in [Section 411AD (b)] *Section 411AD (a)*. Oyster and clam shells, and materials used in the culture of marine life shall not be deemed waste for the purposes of this subheading, nor shall a discharge from a sewage treatment plant operating pursuant to the provisions of Section 411W be deemed waste for the purposes of this section.

411AH.

In the event that the owners of operators of said sewage disposal plant fail to submit a plan or to construct the necessary improvements in accordance with an approved plan, the County Council of Anne Arundel County or the City of Annapolis as appropriate shall, upon
