Petty Cash

A separate book or ledger shall be maintained for petty cash. Cash disbursements are best handled by the imprest system, according to which a "float" of x dollars is issued for the petty cash fund. Then periodically, or as needed, a summary of expenditures supported by vouchers is drawn up and a check for the total thereof is issued to reimburse the petty cash fund. The total shall be entered as an expenditure and broken down into the appropriate analysis columns.

SEC. 2. *And be it further enacted, That this Act shall take effect June JULY 1, 1971.*
