CHAPTER 326  
(House Bill 943)

AN ACT to repeal and re-enact, with amendments, Sections 130, 131, 132, 133, 134, 136, 137, 138 and 139 of Article 48 of the Annotated Code of Maryland (1965 Replacement Volume), title "Inspection," subtitle "Maryland Pesticide Law of 1958," adding the terms "nematode," "plant regulator," "defoliant," and "desiccant" and their definitions; modifying the definitions of the terms "pesticide," "nematocide," "active ingredient," and "misbranded"; allowing in the discretion of the State Chemist certain changes in the labeling of products during the registration period; modifying the procedure for registration of pesticides; increasing the annual registration fee for each product registered and imposing a terminal registration fee; providing for notice, hearing and judicial review when registration is refused, suspended or cancelled; authorizing the State Chemist to remove from sale any product which is adulterated, misbranded or found to contaminate the environment; providing for penalties in the event of late registration; authorizing the State Chemist to enter into agreements with any agency of the United States and with the Association of American Pesticide Control Officials to carry out the provisions of the Act; amending the Maryland Pesticide Law of 1958 in order to make certain corrections in the language and references thereof; and relating generally to laws of Maryland providing for regulation and control of pesticides.
