

all contract purchasers and all those persons holding a mortgage, a deed of trust, or an option to purchase such property; provided, however, that the foregoing time limitation and name requirement shall not apply to applications filed by the District Council or by the Commission.

SEC. 2. *And be it further enacted, That this Act shall take effect July 1, 1972.*

Approved May 26, 1972.

CHAPTER 589
(House Bill 1137)

AN ACT to repeal and re-enact, with amendments, Section 387C(b)(3) of Article 43 of the Annotated Code of Maryland (1971 Replacement Volume and 1971 Supplement), title "Health," subtitle "Water, Ice and Sewerage," in Harford County to provide that certain housing subdivisions must have a county-approved water and sewerage distribution and collection system, and generally relating thereto.

SECTION 1. *Be it enacted by the General Assembly of Maryland, That Section 387C(b)(3) of Article 43 of the Annotated Code of Maryland (1971 Replacement Volume and 1971 Supplement), title "Health," subtitle "Water, Ice and Sewerage," be and it is hereby repealed and re-enacted, with amendments and to read as follows:*

387C.

(b) (3) In accordance with applicable regulations adopted by the State Board of Health and Mental Hygiene pursuant to subsection (c) of this section, each county plan shall delineate those areas where—

(I) Community water supply systems must be provided;

(II) Individual water supply systems may be installed and used during an interim period, pending the availability of a programmed community water supply system[;]. *In Harford County, within the areas outlined in the county plan to receive a community water supply system within ten years, ANY NEW subdivisions where one or more houses are completed for occupancy APPROVED after July JUNE 1, 1972, must have a county-approved water distribution system AS A PREREQUISITE FOR THE ISSUANCE OF BUILDING AND ZONING PERMITS.*

(III) Individual water supply systems may be installed and used for an indefinite period. *In Harford County, within the areas outlined in the county plan to receive a community water supply system within ten years, ANY NEW subdivisions where one or more houses are completed for occupancy APPROVED after July JUNE 1, 1972, must have a county-approved water distribution system AS A PREREQUISITE FOR THE ISSUANCE OF BUILDING AND ZONING PERMITS.*
