

equivalent to the amount expended, as provided in Section 4 of this Act.

2. The remainder of the proceeds of such loan shall be credited on the books of the State Comptroller, to be expended as needed by the State, upon approval by the Board of Public Works, for the following needs, purposes and projects including Architects' and Engineers' fees where applicable:

The design, construction ~~and operation~~ by the Maryland Environmental Service of facilities and systems for the collection, transportation, reprocessing, recycling and disposal of solid wastes, including but not limited to research and demonstration projects and facilities for the handling, reprocessing and recycling of waste oils, automobile tires, hazardous chemicals, wastewater treatment plant residue, abandoned vehicles, domestic refuse, demolition debris and similar materials.

SEC. 6. *And be it further enacted,* That all unexpended funds remaining from completed projects authorized under this Act shall be transferred to the Annuity Bond Fund and shall be applied to the debt service requirements of the State, said transfer to be made one year after the date of the final acceptance of the projects by the State, said date of final acceptance to be certified in writing to the Board of Public Works by the Department of General Services.

SEC. 7. *And be it further enacted,* That any furniture, fixtures and/or equipment authorized to be paid for from the sales of the bonds authorized by this Act shall be, where possible, manufactured or produced by the State Use Industries operated by the Division of Correction of the Department of Public Safety and Correctional Services, in accordance with the provisions of Section 681 of Article 27, Annotated Code of Maryland (1967 Replacement Volume, 1971 Cumulative Supplement).

SEC. 8. *And be it further enacted,* That, except as otherwise provided in this Act, no department, board, commission, agency or institution specified or named in this Act shall begin any work with funds secured pursuant to the provisions of this Act unless satisfactory assurances are made to the Board of Public Works that the work described in the individual terms in this Act can be completed with the funds specified for each such item respectively.

SEC. 9. *And be it further enacted,* That where Federal funds may be available to help accomplish any specific projects in this Act, the using department or agency shall be obligated to seek the allocation of such Federal funds to apply to the cost of the particular project. In seeking approval of the Board of Public Works for award of a contract under a specific appropriation under this Act, the using department or agency shall formally advise the Board of Public Works that efforts have been made through proper administrative procedures to obtain such Federal funds, and the reason, if any, why the Federal funds were not obtained. Availability of Federal funds where allocated is intended to defray the cost of the approved project, not expand its scope, except in the case of projects of the Department of Forests and Parks. These latter projects may be expanded in scope beyond that proposed in the
