

modate, or remove structures or obstructions as fully to meet the exigencies occasioning such action; provided, however, that the cost of such changes shall be borne by the County. Every public service corporation, company, or individual before it or they shall begin any excavation or construction in any street, road, way, or public highway shall file with the ~~County~~ DIRECTOR OF SANITARY FACILITIES plans of such work and construction showing the location of depth in such street, road, way, or public highway of the proposed main, conduit, pole, pipe, or other structure, and such construction or work shall not be begun until the plan is approved by the ~~County~~ DIRECTOR OF SANITARY FACILITIES, nor shall any change be made in the approved plan or in the work or construction as shown by the plan, except on further approval of the ~~County~~ DIRECTOR OF SANITARY FACILITIES. Whenever any main, conduit, pole, pipe, or other structure is installed without the filing of plans with the ~~County~~ DIRECTOR OF SANITARY FACILITIES and the approval thereof by ~~it~~ HIM, or when any change is made in the location of the main, conduit, pipe, pole, or other structure as shown upon the plans approved by the ~~County~~ DIRECTOR OF SANITARY FACILITIES, or any approved change therein, the County, if and when such conduit, main, pipe or pole, or other structure interferes with the construction of or operation of its water or sewerage system, or other works, may remove the conduit, main, pipe, pole, or other structures or change the location thereof at the cost and expense of the party so putting them in, or their heirs, assigns, or successors, and without any liability upon the part of the ~~Commission~~ COUNTY for damage that might be done to the same by reason of the County's operation in contracting or maintaining its systems or works. Any violation of the provisions of this section is a misdemeanor punishable under ~~Section 19-18~~ SECTION 19-29 of this subtitle.

19-9. ~~Right of entry; public premises.~~

The County may enter upon and excavate any State or county street, road, or way, or any other public highway ~~outside of municipalities~~ for the purpose of installing, maintaining, and operating the water supply, sewerage, or drainage systems provided for under this subtitle; and it may construct in any such street, road, way, or public highway, a water main, sewer, or drain or any appurtenances thereof without the receipt of a permit or the payment of a charge; provided that whenever any State or County highway is to be disturbed the public authority having control thereof shall be duly notified and provided further, that the highway shall be repaired and left by the County in the same condition or in a condition not inferior to, that existing before it was torn up, and that all costs incident thereto shall be borne by the County.

19-10. ~~Right of entry; private premises and conservation of water.~~

Any employee or agent of the County has the right of entry, at all reasonable hours, upon any private premises and into any building in the ~~sanitary district~~ SANITARY DISTRICT, while in pursuit of his official duties, upon first presenting proper credentials from the County. The County or its agent or employees may order and require such changes in plumbing, water usage or water or sewer connections as it deems necessary to eliminate leakage, loss of water, unnecessary or im-
