No. 3

(Senate Joint Resolution 20)

Senate Joint Resolution commending Frank Robinson for his accomplishments in playing baseball and his contributions to the Baltimore Orioles baseball team.

The members of the General Assembly of Maryland take pleasure in commending Frank Robinson for his accomplishments in playing baseball and his contributions to the Baltimore Orioles baseball team.

It is a commentary on his accomplishments to note that he is the only player to have been voted the Most Valuable Player award in both the American and National Leagues.

He has achieved distinction as a former winner of the Triple Crown of batting. He currently has five hundred and three (503) career home runs and was the thirteenth (13th) player to hit more than five hundred (500) home runs.

He has made invaluable contributions to the Orioles through his leadership and sportsman-like attitude.

During his six year tenure with the Baltimore Orioles, Frank Robinson led the team to four American League pennants and two World Series championships. In these same years, he averaged thirty (30) home runs and ninety-one (91) runs-batted-in per season.

His efforts have led to his suffering physical injury. These injuries caused him to be incapacitated for nearly an entire season. He has been hit by a pitched ball one hundred and seventy-six (176) times while playing in the major leagues, including nine (9) times during the 1971 season.
