

respectively from the five subdivisions described herein below. Each such Councilman shall reside in and be duly elected from the particular subdivision from which he becomes a candidate for office. The ballots or the voting machines shall be so arranged that the voters in any one subdivision shall be eligible to vote only for those candidates for the City Council coming from the particular subdivisions. That candidate in each of the several subdivisions who receives the highest number of votes for the Councilman shall be declared to be the Councilman from the said subdivision. The several subdivisions shall have the boundaries as described below:

1. The northwestern portion of the town extending west of Addison Road and north of Roosevelt Avenue to the town limits.

*WARD ONE:* That sector of the Town which lies between the following boundaries: From the furthest most Northeast point of George Palmer Highway, thence Southwest along the west side of George Palmer Highway to Eastern Avenue, thence Northwest along the east side of Eastern Avenue to the Town boundary line.

2. The northern portion of the town extending east from Addison Road and north from Palmer Highway to the town limits.

*WARD TWO:* That sector of the Town which lies between the following boundaries: From "D" Street at its Southeastern point where it intersects with Addison Road, Eastward to the Cabin Branch, thence along the Cabin Branch to east side Cabin Branch Drive, thence Northward on Cabin Branch Drive to George Palmer Highway, thence westward along the south side of George Palmer Highway to where it intersects to Addison Road.

3. That portion of the town bounded on the southwest by the town limits; on the northwest by Roosevelt Avenue, on the northeast by Addison Road and on the southeast by "D" Street extended.

*WARD THREE:* That sector of the Town which lies between the following boundaries: From the south side of Addison Road from George Palmer Highway, southeastward to Central Avenue, thence Southwestward along the Town boundary to Eastern Avenue, thence along Eastern Avenue to the east side of George Palmer Highway, thence Northwestward along George Palmer Highway to Addison Road.

4. That portion of the town bounded on the northwest by Palmer Highway, on the northeast by the town limits, on the southeast by "D" Street, and on the southwest by Addison Road. Also, that land bounded on the west by the main stem of Cabin Branch Creek which forms the present boundary of the town, and on the south and east by "F" Street and on the north by the tributary of Cabin Branch Creek which enters said Creek at Palmer Highway.

*WARD FOUR:* That sector of the Town which lies between the following boundaries: From the north side of Cabin Branch Drive where it meets George Palmer Highway, Southeastward to "F" Street, thence Northeastward along "F" Street to Hill Road, thence along Hill Road to the Town boundary which extends Northwestward to George Palmer Highway.

5. That portion of the town between "D" Street (and "D" Street extended) and Central Avenue (where boundaries of subdivisions are designated by streets, the center line of the street is assumed as the actual boundary).
