

(b) *The town may make a charge for each connection made to the sewer mains. The amount of the charge shall be determined by the Commissioners and shall be uniform throughout the town, but may be changed from year to year. Arrangements for the payment of this charge shall be made before the connection is made.*

(c) *In order to prevent improper use of the town's sewerage collection, treatment and disposal system, the town may require such changes in plumbing, fixtures or connections as it deems necessary to prevent such improper use.*

(d) *The town may provide by ordinance that no sewerage system, and no sewers, drains or connections therewith, shall be constructed or operated by any person, whether upon private premises or otherwise, and may provide that septic tanks, cesspools or other private methods of sewage disposal shall be operated and maintained in such a manner that they do not and will not be likely to have an adverse effect upon public health. Any septic tank, cesspool or other private method of sewage disposal adversely affecting or likely to affect public health shall be deemed a nuisance and may be abated by the town.*

(e) *Any employee or agent of the town, while in the pursuit of his official duties with regard to the construction, operation or maintenance of the system, shall have a right of entry at all reasonable hours upon any premises and into any building in the town or county served or to be served by the system, provided only that reasonable advance notice has been given to the owner, tenant or person in possession of such premises. Any restraint or hindrance offered to the entry by any owner, tenant or other person in possession, or by the agent of any of them, shall be deemed a misdemeanor.*

**516D.**

*The town may locate any part of its sanitary sewerage collection, treatment and disposal system outside the town limits and it may provide service to persons whose properties are located outside the town limits.*

**516E.**

*The town may impose, charge and collect such benefit assessments, rates, fees and/or charges for the benefits, facilities and services provided by the system as it deems reasonable. Such assessments, rates, fees and/or charges shall be and constitute liens against the property benefitted or served and shall be collectible in the same manner as town taxes or by suit at law. If any assessment, rate, fee and/or charge remains unpaid for 60 days, service may be discontinued.*

**516F.**

(a) *Notwithstanding any other provision or limitation contained in this Charter or in any other law, the Commissioners of Sharptown shall have the power to borrow money for the public purpose of financing the cost of construction, reconstruction, acquisition, extension, alteration, improvement or repair of a system for the collection, treatment and disposal of sanitary sewerage, including the cost of all plans, surveys, property rights, equipment and professional services in connection therewith, and to evidence such borrowing by the issue and sale, from time to time, of its general obligation bonds, or notes issued in anticipation thereof, and shall likewise have authority to borrow money in anticipation of the receipt of current taxes and to evidence such borrowing by the issue and sale of its*
