(b) In its rates, charges, service facilities, rules, regulations, or in any other respect, the franchisee shall not make or grant any preference or advantage to any person, nor subject any person to any prejudice or disadvantage, provided that nothing in this Article shall be deemed to prohibit the establishment of a graduated scale of charges and classified rate schedules to which any customer coming within such classification would be entitled. Nothing herein shall be construed to limit the order of areas of construction which shall be within the discretion of the franchisee.

Section 12-1723.

(a) The franchisee shall provide a minimum of ten (10) channels available to its customers at any one time, provided satisfactory reception of a minimum of ten (10) channels is available in the area.

(b) The antenna, receiving and distribution equipment shall be installed and maintained so as to provide pictures on subscriber receivers throughout the system essentially of the same quality as those received at the antenna site.

(c) Installation and maintenance of equipment shall be such that standard NTSC color signals shall be transmitted with full fidelity to any subscriber color receiver. The franchisee shall maintain its service in accordance with such reasonable standards regarding uniformity of transmission, noise levels, and channel signal voltages as may from time to time be established.

(d) Whenever it is necessary to shut off or interrupt service for the purpose of making repairs, adjustments or installations, the franchisee shall do so at such times as will cause the least amount of inconvenience to its customers and unless such interruption is unforeseen and immediately necessary, it shall give reasonable notice thereof to its customers.
